

CERTIFICATE OF UTILIZATION

This is to certify that the study entitled **AscendEd: Tech Lab Breakout – A Gamified Learning Simulation for Mastering Technical Skills** of the University of Perpetual Help-Molino, has been implemented in practice.

Type of Utilization

- | | |
|--|--|
| ☐ Transmission | I transmit my research result to end users |
| ☐ Reference | My work has been cited in reports and strategies by end users. |
| ☐ Effort | Efforts were made to adopt the results of my research by end users. |
| ☐ Influence | My research results have influenced the choices and decisions of end users |
| ☐ Application | My research has been applied by end users |

User Address:
Molino III
Bacoor, Cavite

Description of Utilization:

A capstone thesis documenting the development of AscendEd: Tech Lab Breakout, a gamified virtual lab simulation designed to help IT students master technical skills. Created by four BSIT students at UPH-DALTA Molino Campus, December 2025.
